Welcome To Bilmar

W. H. BOUTELL

We at Bilmar have looked forward to this event with great anticipation. We have endeavoured to put forward a group of cattle that are second to none and that will work improvement in the herds of their new owners. True, they are not all brought out as show cattle but all come from proven families that have done well for us and are backed by some of the greatest bulls of the breed.

The purchase of the two bulls presently in use in the herd has proved most fortunate. Westdrums Wayfarer was purchased at Perth as a ten month old calf and has developed into a tremendous bull. His record as a sire appears elsewhere in this catalog. Calrossie Diadem, purchased privately in Scotland in February, 1962, has a breeding record that has not been equaled by any other bull.

The footnotes in this catalog are intended to describe and not praise the cattle. The appraisal will be left to the sale day visitors whose judgment is most important to us. The herd is Federally Accredited for T.B. and Certified Bangs free. All females are calfhood vaccinated.

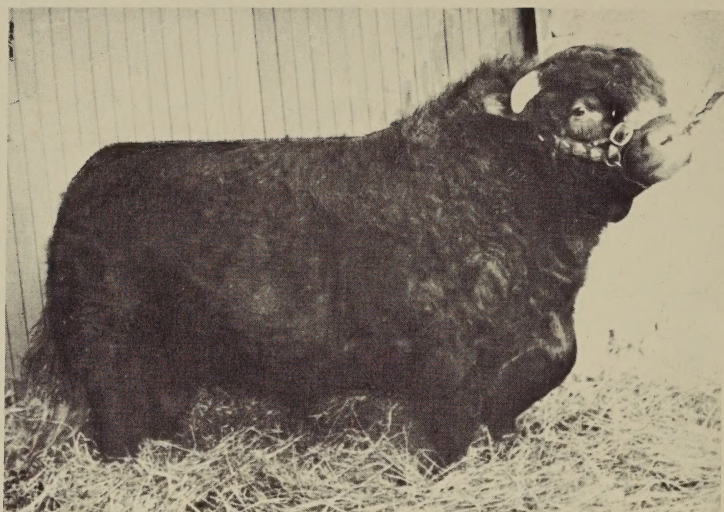

We are happy to have Michigan State University participating in this sale with us and also sharing a one-third interest in Calrossie Diadem. Looking forward to seeing you all at Bilmar,

Bill and Margaret Boutell

CALROSSIE DIADEM

The Diadem Dynasty . . . nothing more potent in years! No bull can match his record as a sire. Just six years old, at four consecutive Perth sales he has sired the Supreme Champion and/or the top-selling bull. Diadem stamps his calves with that great head and his tremendous thickness and depth.

Be certain you are on the seats when the first North American-bred sons of Calrossie Diadem are sold here at Bilmar, October 10.

Remember, too, there are 32 chances to "luck" a stock bull in dam as this is the number of females Bilmar and Michigan State are selling bred to or with breeding privilege to Calrossie Diadem.

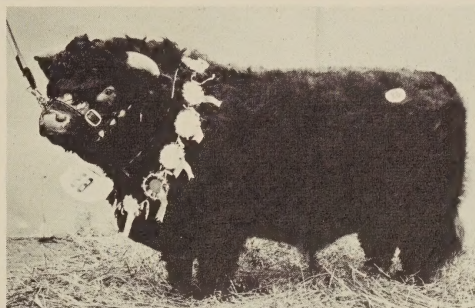

PERTH, 1964. Calrossie Diadem sired the top-selling bull, Glamis Crowning Glory, at \$25,000 for export to the Argentine, making the fourth consecutive year he sired the supreme champion and/or the top-selling bull.

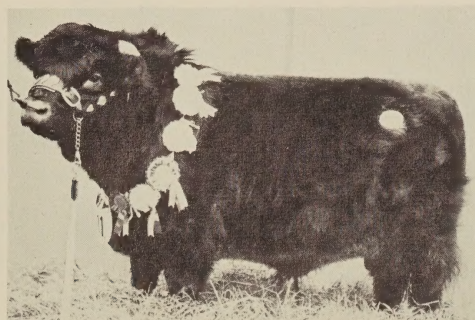

PERTH, 1963. Calrossie Diadem sired the top-selling bull, Glamis Supreme Commander, sold for \$20,400 for export to Sr. Duggan of the Argentine. He also sired the second top bull at \$13,800, and another for \$8,100 to Boots. Sired best group of three bulls, reserve group of five bulls.

PERTH, 1962. Calrossie Diadem sired the supreme champion, Glamis Benefactor, above, undefeated champion in seven British shows. Now owned by K C, Louada and Royalty. Royalty paid \$20,000 for 1/3 interest. Sired best pair, reserve groups of three and five bulls.

PERTH, 1961. Calrossie Diadem sired the supreme champion, Glamis Trademark, above, that sold for \$14,400 to Sr. Elordy of the Argentine. Also sired the best pair of bulls, reserve three bulls, reserve five bulls.

A group of cows at Michigan State with their Calrossie Diadem calves.

Mr. and Mrs. Dwight McCoy

We hope you can arrive Friday afternoon for a leisurely view of the herd and sale offering . . . and to join us Friday evening for a buffet dinner.

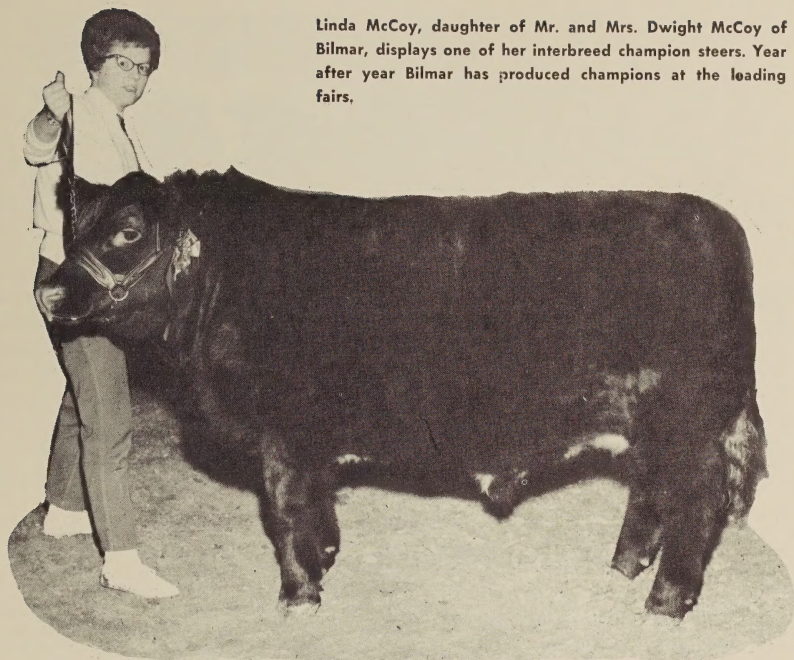

Bill and Margaret Boutell at Marellbar.

FREE DELIVERY OF FIVE OR MORE LOTS TO ONE DESTINATION.

Bilmar will deliver free of charge to any single destination in the United States, five lots or more purchased in this sale.

We will also deliver free, any cattle purchased, to the International Livestock Exhibition in Chicago or to the Mathers sale in Illinois.

Linda McCoy, daughter of Mr. and Mrs. Dwight McCoy of Bilmar, displays one of her interbreed champion steers. Year after year Bilmar has produced champions at the leading fairs.

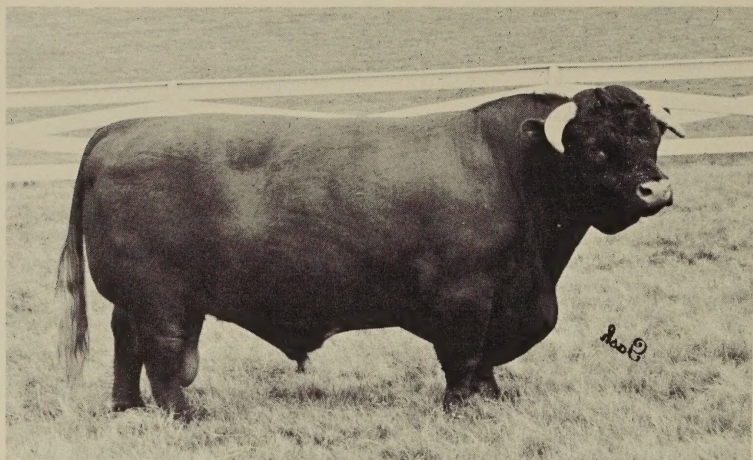

Every facet of the beef industry is dependent upon the other . . . the packer and wholesaler upon the consumer . . . the registered breeder upon the commercial cattleman. At one end are the few herds whose sires and females are great enough to produce those rare stock bulls that can work improvement. Try to find a really great bull and you will discover sources are rare. Bilmar has proved it is such a herd. Calrossie Diadem has proved he is the sire of stock bulls.

The sale of sons of Calrossie Diadem should in itself be sufficient to make the trip of importance to all. But there is more. There are a half dozen big strong sons of Westdrums Wayfarer, some of which have already won high honors at the early fairs. There are 32 females well along in calf to Calrossie Diadem . . . carrying potential stock bulls.

Calrossie Diadem himself is a great individual, excelling in depth, length, width of quarter . . . smoothness and width throughout, yet he does not sacrifice in character, size and substance. The first sons at Bilmar, selling in this sale, will compare favorably with the greatest he has sired to date.

Much has been said about the record of Calrossie Diadem. It is important to know, too, that his mother is one of the outstanding cows of the breed.

Calrossie Ramona Ramsden is also the dam of Calrossie Diamond, full brother to Calrossie Diadem, stock bull for Mathers and John Alexander & Sons of Illinois.

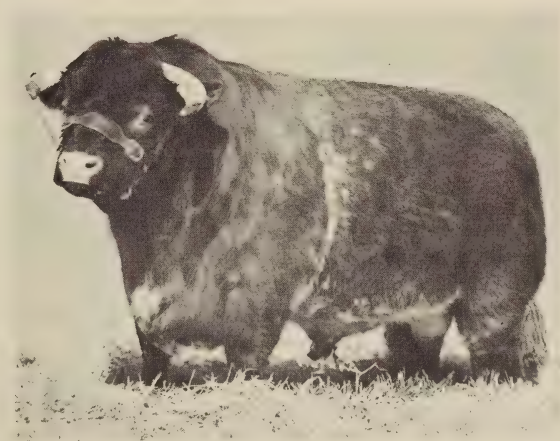

Her sire, Calrossie Highland Piper, was the top-selling bull of his year at Perth, being purchased for 10,000 gns. by A. R. Cross, Rothney Farms, Midnapore, Alta., where he made new records at the Calgary sales and throughout Western Canada.

WESTDRUMS WAYFARER was purchased at Perth, 1960, from the impressive group of Uppermill Leopold sons that swept the group classes that year. They won best pair, best three, best three by one sire, best five by one sire. Wayfarer's dam is a member of the famed Saltoun Wimple family and she was first prize two year old Royal English show, 1958. Wayfarer has been a consistent producer of champions and top sellers for us.

*a Wayfarer cow
with a Diadem
calf*

This is Bilmar Gem 11th sold by Bilmar to Michigan State. She is a daughter of Westdrums Wayfarer. At foot is her bull calf by Calrossie Diadem. The Diadem-Wayfarer blood combination is making a great cross.

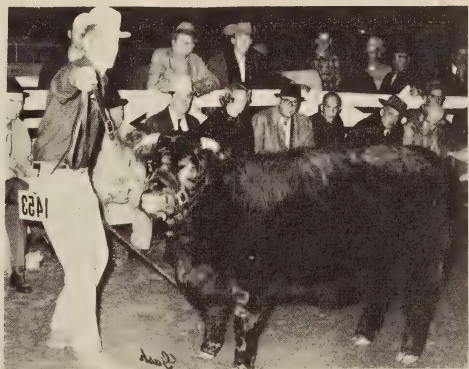

*a Wayfarer

Diadem cow*

This is Bilmar Princess Linda 2nd . . a daughter of Westdrums Wayfarer. She sells as Lot 13. We bought her granddam in Scotland and had her served to Calrossie Diadem. This is the first Wayfarer out of a Diadem cow.

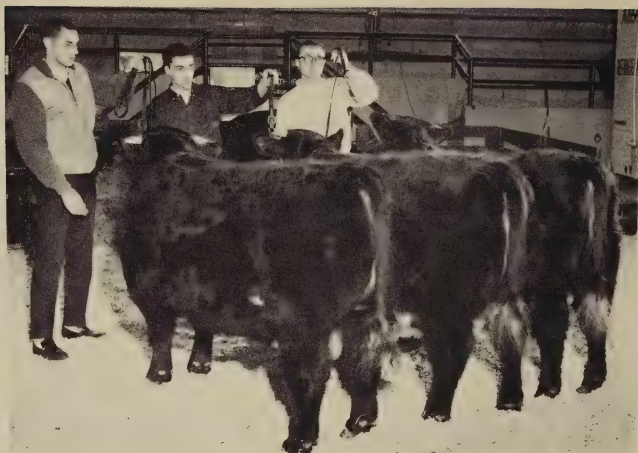

*a Wayfarer

Diadem*

Bilmar Brawith Bud 2nd. She was first prize junior yearling, International, 1963, All-American junior yearling, 1963. She sold to Kickapoo Farms, Kenosha, Wis. but we have a large number of other Westdrums Wayfarer daughters bred to Calrossie Diadem selling in this sale.

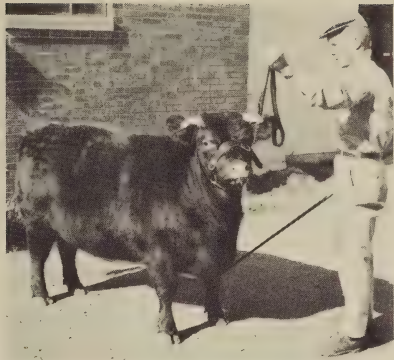

Right, winning get-of-sire by Bilmar Raider, 1962 Michigan Farmers Week Better Sire Program. Also won by get of Bilmar Raider in 1961. It was won by the get of Westdrums Wayfarer in 1963 and 1964. This is the Michigan Shorthorn "Sire of the Year" award.

Right, a pair of typical females by our former sire, Kair Corporal. Kair Corporal is a full brother to Kair Masterkey. It was Kair Masterkey that produced the dams of the Perth champions and top-selling bulls by Calrossie Diadem. This gives us exactly the same bloodline combination with Diadem with Kair Corporal daughters.

Left, four typical daughters of Aldie Apex, a bull used with much success at Bilmar in the 1950's. A Mathers-bred son of Aldie Apex, Leveldale Custodian, sold to Susanna Farms for \$19,000 and was one of the breed's top sires.

Bilmar Queen of Beauty 9th by Westdrums Wayfarer was the grand champion female, 1962 "Best of Midwest" show and sale, Springfield, Ill., where she sold to Cary Colburn, Kar-Burn Farms, Harrisonville, Mo.

Bilmar Augusta 19th by Westdrums Wayfarer was reserve grand champion female, 1962 "Best of Midwest" Show and Sale, where she sold to Arnold & Brooks, Shore Acres Farm, Prophetstown, Ill. Lot 18 is a full sister.

FIVE SONS OF WESTDRUMS WAYFARER SELL . . .

Seventeen daughters sell . . . nearly all bred to
or with breeding privilege to Calrossie Diadem.

*On this page you see some typical
daughters of Westdrums Wayfarer.*

Bilmar Broadhooks Lucy. This Westdrums Wayfarer daughter was second in class at the 1963 International and an All-American nominee. She sells as Lot 14.

BILMAR DIADEM—A really great calf that shows a lot of promise. He is a seven-eighths brother to the \$60,000 Perth supreme champion, Glamis Benefactor, that is being used at Louada, K.C. Farms and Royalty Farms. His dam was purchased in the 1959 Perth sale and sent back to Glamis to be mated to Diadem. The result was an excellent heifer that was grand champion at the Central States Fair; stood second to the grand champion female at Columbus and was reserve grand champion at Detroit. A daughter of this full sister sells in this sale.

B. Sterling Ambrose, Royalty Farms, Owensboro, Ky., with Glamis Benefactor, for which he recently paid \$20,000 for one-third interest. Benefactor is owned jointly by K C Farms, Kansas City, Mo.; Louada Farms, Peterborough, Ont., and Royalty Farms. Lot 1, Bilmar Diadem, is a seven-eighths brother to Glamis Benefactor, both bulls being by Calrossie Diadem and both out of dams by Kair Masterkey, both with granddams by Calrossie Highland Monarch.

BILMAR WHALER—Grand champion bull of the 1964 Michigan State Shorthorn show. A big, rugged bull with a lot of bone. A double cross of Uppermill Leopold should insure breeding ability in this bull. Sons of Uppermill Leopold set the selling records for three straight years at Perth. His sons are in service in Scotland, Argentina, North America and South Africa. Bilmar Whaler was the second prize senior yearling, 1964 Illinois State Fair.

BILMAR WHITNEY—2nd place spring yearling of the State Shorthorn show standing below his stallmate. From the very dependable Queen of Beauty family. His full sister was 1st place 2-year-old and senior champion for us at the state show.

At the 1960 Perth show Westdrums swept the group classes — best pair, best group of three and five by one sire. The best three by one sire, above, won the Auctioneer's Challenge Cup and the Pittodrie Challenge Cup. Westdrums Wayfarer, shown at left, was an important member of these winning groups.

The Michigan State entries to this sale. All sell bred to Calrossie Diadem.

The contribution that can be made to livestock agriculture through University herds is tremendous. One of the leading examples is Michigan State University. Listed below are the herd bulls used there in the last 16 years.

Edellyn Stellar Mercury by Edellyn Diamond Mercury.

Edellyn Royal Leader 66th, famous show bull and \$6,000 top of the 1950 Edellyn sale.

Willow Lee Wonder 20th, bred by House & Benroth and class winner at the International.

M S U Wonder, 1956 Michigan State Fair grand champion.

Easterlovat Constellation, purchased in 1957 International Congress sale at \$7,000. Champion bull Eastern National, Harrisburg; junior Champion at Chicago.

Louada Actor, purchased at private treaty from Louada.

Louada Woden, purchased 1961 Louada sale by Louada Nugget and a double-bred grandson of Bapton Constructor.

Calrossie Diadem, 1/3 interest purchased from Bilmar, 1963.

Easterlovat Constellation, left, this son of Calrossie Constellation was used with great success at Michigan State and is now in the Floren Pudvay herd. Clare, Mich. He was purchased originally from W. N. Anderson in the 1957 International Congress sale.

First prize group of three Shorthorn steers, 1963 International, bred and exhibited by Michigan State, all sired by Easterlovat Constellation.

We feel very fortunate to be a part of what we expect to be one of the greatest events in Shorthorn history in Michigan. The five heifers we are selling all have long service dates to Calrossie Diadem.

Several of these heifers are sired by Louada Actor, now being used very successfully in the Steve Hunn herd, Parma, Mich. He was purchased at private treaty from Louada and is from their great Drynie Augusta family.

Two heifers are by Easterlovat Constellation and a couple more out of his daughters. His daughters now make up

about half of our cow herd. He consistently puts better hindquarters on our cattle.

You will find M S U Wonder represented in some of the pedigrees. He was grand champion, 1956 Michigan State Fair, and sired the 1958 grand champion. He also sired M S U Wonder 5th, now in service at Kansas State University, which in turn sired Wonder K 9th, junior and reserve grand champion, Denver, 1964.

The Michigan State cow herd has been classified with a good strong AA average. We would welcome your inspection of the herd at any time.

M.S.U. AUGUSTA MARY 2d—The dam of this heifer is a full sister to M.S.U. Wonder 5th used very successfully at Kansas State College. We had planned to keep this heifer. She is calfhood vaccinated and safe in calf to Calrossie Diadem since April 22, 1964.

The very select Michigan State University cow herd. It has been Classified and averaged a strong AA.

Calrossie Djadem, great sire of Perth champions. Michigan State University owns one-third interest. Five heifers in their consignment are bred to him.

Two Great Sales In One Weekend

Saturday, October 10 The Bilmar "Bonanza" Sale, Grand Blanc, Mich.

Monday, October 12 Buckmaster-Garriott "Opportunity" Sale, Portland, Indiana.

Try to arrive Friday for a leisurely view of the cattle at Bilmar and be our guests for buffet Friday evening. On Sunday you are invited to the Buckmaster farm. Approximately 200 miles between the two farms. Excellent highways, mostly super-highways. Delta Airlines has plane service between Detroit and Fort Wayne. Morning and evening trains between Detroit and Ft. Wayne on the Wabash take just two and one-half hours. Arrangements can be made to meet you in Fort Wayne.

The management will assist in combining purchases made in the two sales.

Michigan State heifers selling in this sale bred to Calrossie Diadem.
